FREEFLOW SPAS®

CASCINA™

CREATE THE MEMORIES THAT CONNECT TO YOUR SOUL.

As the cascading waterfall flows gently into the pool of bubbling water, you can almost feel the smiles on your family's faces appear. It is starting; that time when bickering gives way to a peace that overtakes your own private oasis, one by one, as each person enters the water. With each passing minute, you create a new memory, moments of laughter, love, and life that can only come when everyone enjoys together time. This idyllic family scene can be your reality in your very own Freeflow Spa® Cascina™ hot tub, the perfect four-person spa to bring the family together.
